The Public Demands a New Dea

On March 3, 1890, I will commence to do a CASH BUSINESS. I believe it is to the best interest of all to buy their goods at cash prices, and not pay the old, long time price. I shall mark my goods accordingly low. I believe in selling more goods at a smaller profit, and am bound to do it if prices will tell. I want my clerks to earn their money, and not wear out their clothes bottoming chairs. Hereafter no goods will leave the store until paid for. This means EVERYBODY.
